**:30 TV**

VO: Every town across America

has a team that plays like winners

and has the look of a champion.

In Franklin County,

it's the Flyers,

and OxiClean helps them look that way.

TEAM: Flyers!

VO: They count on it

to help them make the 'Flyer Way'

the best way

to tackle the toughest stains

from the toughest games...

so they look like winners

every time they take the field.
